FEES

We are committed to keeping our course prices low. We do offer concession rates for anyone over 60 or claiming the benefits listed below. As we are a self-funded organisation we receive no financial support in order to offer these rates.

The concessionary rate is for those whose sole source of income is from a state benefit. We accept Universal Credit, Income Support, Job Seeker's Allowance and Employment and Support Allowance. Please show a recent letter or statement stating your benefit when enrolling.

REFUNDS

In the event that we have to cancel a course, we aim to inform you 2 working days before the start date, or at least 24 hours before a day workshop. If we have to cancel a course, then you will receive a full refund.

If your refund request does not fall within the areas listed below, it is possible that you are not eligible for a refund.

- If you wish to cancel your place you must inform us at least 7 days before the start date of your course or workshop. In this case you will receive a refund minus a 10% admin fee. (10% of the course fees or £5, whichever is greater).
- If you give us less than 7 days' notice, or your course or workshop has already started a refund will be not given.
- If you are requesting a refund due to an illness, medical condition, disability or injury that will prevent you from participating in the course, we will consider a pro-rata refund for the sessions you have not attended or transfer you to a more suitable course. We consider all requests on an individual basis and are at the discretion of the General Manager. We may ask to see a medical note.

MATERIALS LIST

Some courses may involve additional costs for materials. Some costs will be included in the course fee; others will be outlined on the website under the materials list section. Please check the materials list before attending.
