BRISTOL FOLK HOUSE

DARKROOM

Our purpose-built wet-based darkroom has been renovated and recently reopened. We offer a whole host of traditional, alternative and experimental darkroom workshops and courses as well as private darkroom hire.

To use our space, you'll need to book an induction with our darkroom manager (free of charge). The darkroom is available to book for 6 days of the week, outside of times when the space is being used for workshops and courses.

DARKROOM FACILITIES

- Five black and white enlargers for 35mm and medium format
- Film developing facilities
- UV light for alternative processes
- Technical support and chemistry

The Folk House Darkroom is moving towards becoming a more sustainable space by using more plant-based chemistry and processes in our workshops and courses.

In the future we hope to have a darkroom garden to use for chemistry, inspiration, and contact printing with other processes such as cyanotypes. All the profit made from our courses and workshops will go towards this aim.

BOOKINGS

Individual session fees are £7.50 per hour. Please book darkroom sessions in advance to ensure access to the equipment. All darkroom users share the workspace.

For more information or to book a session email darkroom@bristolfolkhouse.co.uk or call 0117 926 2987 or visit our reception during opening hours.
